For information regarding area maps, hotels, and restaurants visit www.cel.cmich.edu/student/graduation

All applicants may attend the graduation ceremonies. Final grades do not have to be on your transcript in order for you to participate in the graduation ceremonies.

Diplomas are not issued at the graduation ceremonies; they are mailed after the degree is awarded on the transcript. All requirements including final grades must be recorded on the permanent record by the deadline to be awarded the diploma.

Applicants who fail to complete all program requirements by the deadline for which they have applied, will be entered on the prospective graduation list for the **next** period. If the student fails to complete the requirements by the second period they must submit a new application and fee.
